MM Docket No. 93-248
 DISPATCHED BY
 In the Matter of

Admendment of Section 73.202(b), RM-8321
 Table of Allotments,
 FM Broadcast Stations.
 (Pleasant City, Ohio)

NOTICE OF PROPOSED RULE MAKING

Adopted: September 13, 1993; Released: September 28, 1993

Comment Date: November 19, 1993

Reply Comment Date: December 6, 1993

By the Assistant Chief, Allocations Branch:

1. The Commission has before it the petition for rule making filed by Peter L. Cea ("petitioner") requesting the allotment of Channel 232A to Pleasant City, Ohio, as the community's first local aural transmission service.¹ Petitioner states that he will apply for the channel, if allotted.

2. We believe the public interest would be served by proposing the allotment of Channel 232A to Pleasant City since it could provide the community with a first local aural transmission service. Channel 232A can be allotted to Pleasant City in compliance with the Commission's minimum distance separation requirements with a site restriction of 4.5 kilometers (2.8 miles) east to avoid short-spacings to Station WHBC-FM, Channel 231B, Canton, Ohio, and to the outstanding construction permit (BMPH-891102IC) of Station WFCB, Channel 232B1, Chillicothe, Ohio.² However, this site restriction does not protect the reference coordinates for the allotment itself. Therefore, final action on this petition may be withheld until Station WFCB is licensed at the site specified in its construction permit. Canadian concurrence in the allotment of Channel 232A to Pleasant City is required since the community is located within 320 kilometers (200 miles) of the U.S.-Canadian border.

3. Accordingly, we seek comments on the proposed amendment of the FM Table of Allotments, Section 73.202(b) of the Commission's Rules, for the community listed below, to read as follows:

City	Present	Channel No.	Proposed
Pleasant City, Ohio	--		232A

4. The Commission's authority to institute rule making proceedings, showings required, cut-off procedures, and filing requirements are contained in the attached Appendix and are incorporated by reference herein. In particular, we note that a showing of continuing interest is required by paragraph 2 of the Appendix before a channel will be allotted.

5. Interested parties may file comments on or before **November 19, 1993**, and reply comments on or before **December 6, 1993**, and are advised to read the Appendix for the proper procedures. Comments should be filed with the Secretary, Federal Communications Commission, Washington, D.C. 20554. Additionally, a copy of such comments should be served on the petitioner, or its counsel or consultant, as follows:

Peter L. Cea
 707 Green Cook Road
 Sunbury, Ohio 43074
 (Petitioner)

6. The Commission has determined that the relevant provisions of the Regulatory Flexibility Act of 1980 do not apply to rule making proceedings to amend the FM Table of Allotments, Section 73.202(b) of the Commission's Rules. *See Certification That Sections 603 and 604 of the Regulatory Flexibility Act Do Not Apply to Rule Making to Amend Sections 73.202(b), 73.504 and 73.606(b) of the Commission's Rules*, 46 FR 11549, February 9, 1981.

7. For further information concerning this proceeding, contact Leslie K. Shapiro, Mass Media Bureau, (202) 634-6530. For purposes of this restricted notice and comment rule making proceeding, members of the public are advised that no *ex parte* presentations are permitted from the time the Commission adopts a Notice of Proposed Rule Making until the proceeding has been decided and such decision is no longer subject to reconsideration by the Commission or review by any court. An *ex parte* presentation is not prohibited if specifically requested by the Commission or staff for the clarification or adduction of evidence or resolution of issues in the proceeding. However, any new written information elicited from such a request or a summary of any new oral information shall be served by the person making the presentation upon the other parties to the proceeding unless the Commission specifically waives this service requirement. Any comment which has not been served on the petitioner constitutes an *ex parte* presentation and shall not be considered in the proceeding. Any reply comment which has not been served

¹ Although the petitioner's request was signed, he failed to include an affidavit verifying that the statements contained in his petition were accurate to the best of his knowledge. Section 1.52 of the Commission's Rules requires that the original of any document filed with the Commission by a party not represented by counsel be signed and verified by the party and his/her address stated. In the absence of such verification, the petition may be dismissed. Section 1.420(b) of the Commission's Rules concerning rule making proceedings places petitioners on notice

that their proposal must conform with the requirements of Section 1.52 regarding subscription and verification. *See also Amendment of Sections 1.420 and 73.3584 of the Commission's Rules Concerning Abuses of the Commission's Processes*, 5 FCC Rcd 3910, n.41 (1990). The petitioner is requested to rectify this omission in his comments.
